

Items to put on the **Sign-Up Genius for Graduation**

Parent Coordinator sets up the Sign-up Genius and provides direct link for the **Teacher Liaison** to use in the **AASPA** e-mail blast, to be repeated weekly until two days prior to the concert.

These numbers are revised from the June 2013 reception, based on 125+ guests

Please prepare foods on large, attractive serving trays, marked on the back with name for returning items. Drop them in the music building at the site of the reception prior to the concert.
